

*Dear Tim,*

*I've taken you up on the invitation you posted on your blog to communicate with you privately. There is a particular subject I want to share with you for your information to be tucked away until such time these things come to pass.*

*This is something that has taken me a very long time and a lot of gut wrenching forcing myself to study these things as the Lord prompted me in a certain direction concerning apostasy within His Church and the great need for cleaning it up at some future point.*

*I began being introduced to these things by the Lord 5 years after my excommunication. I had never suspected there was trouble in the church, even though I realized my own excommunication amounted to no more than convening a kangaroo court to conform to formalities necessary to relieve me of the Priesthood and my membership, without being allowed to speak one word on my behalf.*

*This inconsistency with common sense & lack of fairness did leave me with a growing haunting sense of wonderment concerning the way things went down.*

*One day, while searching for new books in our local LDS book store, my eldest son came to me with a book he found on the shelf that seem to explode with the Lord telling me I would really need to*

*know these things.*

*The Lord at that moment bore a power witness to me of my need to read everything this author had written, so I gathered all the books by him I could find on the shelf. His name is Avraham Gileadi, an author I know you are familiar with.*

*His interpretation of Isaiah conformed to 90% of what the Lord had already taught me concerning the things I wrote to you of myself in the last letter I wrote you and of the Lord's Plan to Redeem Israel. Only the Lord had taken these very same pieces of the puzzle Isaiah puts together so neatly, and had given them to me piecemeal through the words of every other book and prophets in the scriptures. Like what you would do to use the books of the Bible to reverse engineer what is contained as a whole in Isaiah.*

*The Lord had shown me how to extract the entire Gospel Plan from each and every book of scripture by piecing the puzzle together, before revealing to me that it was Isaiah who put it all together into one composite picture of a vision for the Last Days & End Time we have approached in our day.*

*Isaiah was the final book of study the Lord pointed me to and immediately brought Avraham Gileadi to my attention through my eldest son. My son handing me "The literary Message of Isaiah" and just holding it in my hands, had prompted the Lord to deliver the strongest Revelation concerning my studies to that date.*

*I had always known who I was since my first visit with Our*

*Savour & Father, but it was necessary for me to study and absorb the Gospel Plan for which I had zero knowledge of when first meeting with them.*

*Anyway, I digress. What I wanted to impart to you is something that only became aware to me when reading Gileadi's books. All that Our Savior had taught to me over the years concerning gaining a witness of myself as contained in the scriptures, had only referred to gaining an understanding of myself, detached from a knowledge that there was an apostate condition prevalent among the Lord's People of Our Generation.*

*This apostasy was always apparent in preceding generations as it stands out quite clearly in the scriptures. But that has always been taught in our church as being a condition far removed from us in the church today.*

*I had completely fallen for the delusion of allowing myself the full trust of our leadership, given the "Follow the Prophet" & once the Kingdom had been established it was to never fall again, montras, that have been hammered into our brains.*

*The Great Apostasy is something only vaguely foreshadowed by the Dark Ages and that particular falling away, which was again foreshadowed by the apostasy of Joseph Smith's day when approx. 50% of the members split, along with about half the Apostleship.*

*Today's apostate conditions FAR EXCEED ANY apostate cycle of the past. What we are now faced with, still lurking & being concealed*

*"Great Delusion" being perpetrated upon the Lord's people by the majority of leaders within the top ranks of our church. It is HORRIBLE, Tim.*

*It is not going to present itself in a way that will give you anytime to absorb what will soon take place. And as a result of this sudden surprise exacting our total commitment & trust of our leaders, the vast majority of an ignorant and blindly trustful membership, will opt to merely feel safety in numbers and follow the ( False ) Prophet straight off a Spiritual Clift to Hell.*

*I don't expect you will be able to swallow all of what I tell you but I merely want you to have this information so that you can draw from it when certain things take place within the church here in the near future....probably months from what I currently see happening in the world.*

*This conspiracy, or "Secret Combination" as the BOM warns us to not allow it to "Get OVER us", or the "Mystery of Iniquity" already at work, as John & Paul put it, and as Joseph Smith warns us of in D&C 85 & 112, is running Deep and Fast within the blood stream of the Lord's People and is soon to hemorage.*

*The Head having become infested with Satanic Evil, has corrupted and infected the intire body of Christ's Church. These referrences highlight only a few of the many direct or vieled referrences to the Evil that lurks beneath the surface of an OUTWARDLY pious People of God but INWARDLY are Snakes, as Christ accused the Pharasees of*

*being in His Day.*

*One important thing to always remember when reading the scriptures, is that the Lord is ALWAYS addressing His Covenant People, though ALL of God's Children will be subject to the same patterns of treatment the Lord gives to His Own COVENANT People who break His Commandments.*

*The key given to this Mystery is revealed in 2 Thessalonians concerning the Man of Sin seating himself in the Temple of God as though he were God. And according to the JST version of this, it is Christ who is ALLOWING this to go on until He sees the time has come for EXPOSING this man who comes from WITHIN the Lord's Covenant People.*

*Which "Temple" is the Lord referring to in this chapter? Revelations gives the answer to that. It is a Temple built "Between the Seas" and is also associated with a particular "Tabernacle" built by the same Man of Sin ( Anti Christ ).*

*I'm going to interject at this point with something I was lead to discover concerning messaging being shared by certain leaders of our church communicating using code names to disguise their identities, just as Joseph Smith and his Apostles had done when being heavily persecuted and wanting to CONCEAL their identities when discussing the Work of laying the foundations of the Lord's Church among hostile outsiders & traitors from within.*

*Now the situation has totally reversed itself. The "Hostiles" are*

now considered to be those WITHIN the Lord's Covenant People who QUESTION our leaders in ways that have them proclaiming things such as...."When the bretheren have done the thinking, the THINKING has been done". This sort of leaves us with the option of not having to rely on our OWN ability to communicate with God to have Him CONFIRM such non sense.

Anyway, this pattern is the same pattern we see our own Country going through at this time. Years ago it was the OUSIDE Communist threat that most threatened our Liberties & Freedoms as God would desire we cherish through Responsible adhearance to the Laws & Words of God to ensure it's continued existence. But it has infiltrated our nation and is destroying it from within.

What has always been what the world represents, has once again crept in among God's people, ever since the Church fell into collective condemmnation for failing to live the Law of Consecration introduced by Joseph Smith and failing to establish Zion.

The primary physical manifestation of this apostasy which is plainly visable but EXCUSED by the eyes of member more concerned for Mammon than Zion or the Lord, is the formation of the Corporation, Satan's Ideal of ZION. And is used today to spread the Materialistic Greed imbued in the Corporate Structure of Satan's World Empire....All about money, greed, sexual perversion, and deinial of Our One True Father & Brother in Heaven.

It's all about the worship of "ANOTHER" Father..... Lucifer, as they

call him. The name of Satan they DENY. The Father of LIES.

This form of worship among the top ranks of Corporate Society has not only obviously taken the world by it's throat, the scariest part is that it's HEAD is contained within the Lord's Church.....Soon to represent the FINAL manifestaion of becoming known as the Whore of all the Earth. One that Christ must cast DEMONS from in order to purify it's ability to serve as the vehicle and way to establish Zion.

It DOES belong to Our Savior and He KNOWS HOW to cast out it's Demons disguising themselves as our self righteous pious leaders...Just as was FORESHADOWED in the Seven Demons the Lord cast from the whore who was on the brink of being destroyed by UNRIGHTEOUS Pharasees and infromed her to "Sin No More".

And also the Woman who toched His garment in a crowd who had been infected with a "Bloody Issue" for 12 years and was HEALED by Her Faith.....Both being the same associated referrences to the Lord's Church and eventual Kingdom of the Last Days.

The Older Woman with the infection represents the Church of today, having grown older since it's inception & in it's current state of Apsostasy, needing to be HEALED & eventually is.

The Young Virgin Daughter of Jarious, to whom Jesus was heading to in order to bring her BACK TO LIFE, when approached by the older Woman, represents Zion's need to be REVIVED, as it DIED when the members of the Restoration FAILED at establishing Zion

*under Joseph Smith.*

*WITHIN the Body of Christ, are the FAITHFUL FEW, referred to by Isaiah as the "Small Remnant" the Lord will SAVE from destruction and HEAL, as was the Woman healed who SOUGHT for Jesus and TOUCHED His Garment.*

*This is what the Small faithful Remnant must do when the TIME PRESENTS itself.....Shortly, as Christ begins to wade through the crowd of humanity to become AVAILABLE for anyone wishing to TOUCH His Garment ( Body ) and be Healed from every effect of the Fall & be Lifted Up at the Last Day.*

*Now back to 2 Thessalonians and the Man of Sin revealing himself in a Temple of God and Revelations that defines which Temple that is.*

*The Temple is constructed Between the Seas and is referred to as this man's "Palace". A place for a "King" to dwell & establish himself as God. Men who have PREMATURELY made THEMSELVES into the "Kings" referred to as ourselves in the Endowment.*

*This has already been accomplished before those in the Church who are PART of this Secret Combination that is "Getting Over" the more righteous members who QUESTION their motives, practices and lack of Prophectic Abilities and Authority. And are being Cast Out as has been done many times in the past when the Lord's people have TURNED from the Lord and established their Own Course.*

*This is a condition that has filtered down from the top and has*

*inadvertantly infected the unrighteous lay members who persecute and back bite the humble & down trodden of the Lord's People.*

*This Secret Initiate Ceremony of the man who presented himself at the Lord's temple, was accomplished in 2002 at the dedication of the Navoo Temple, a Resseducted Temple destroyed by God. It was constructed right between the two seas of the Atlatlantic & Pacific and sits near the HEART of the Lord's soon to be established Kingdom which Satan hopes to destroy or disrupt into chaos.*

*By the very definition given on the church's website concerning it's construction, it describes it as to be given the looks of a Palace and is covered with a FACADE of material used to CONCEAL the obvioulsy inferior internal walls. All metaphorical and a physical Sign of it's impending fulfillment in scripture in the near future when this same man RETURNS to claim His Throne.*

*Pres. Hinkley proclaimed THAT particular day, the day of Tzom Tumuz on the Jewish Calendar and aniversary of Jospeh Smith's death, as now being a Day of Celebration and proclaimed it to be the fulfillment of a particular prophecy concerning that day of mourning and fasting for God's People of the past, to now become a Day of Feasting & Great Joy. This is a Prophecy that can ONLY be fullfild by Jesus Christ HIMSELF upon His Return.*

*So the INFERENCE He was making of HIMSELF being the Christ, was ONLY received by those INITIATED into this Mystery of Iniquity which has been present for at least 7 decades within the church. And*

*of it had to do with the events of the Last Days and how they would fall out upon the Lord's calendar on certain "Fixed Days", as was given to Moses as a PERPETUAL reminder of things to come during the First & Second Comings of Jesus Christ.*

*Joseph was shown these secrets and they were passed down through each generation of prophets and apostles to our day.*

*Along the way of our collective decline into apostasy when the members failed to first establish Zion under the Law of Consecration, the Lord as describes in Isaiah of our day, slowly Closed the eyes of the Prophet by shutting them off to Revelations from Himself and Heaven, and left us to rely on the wisdom and merrits of the Arms of Flesh.*

*You could begin seeing the manifested results of this plainly docummented in the Manifesto given by Wilford Woodruff who RECENDED a Covenant given to Jospeh Smith concerning Plural Marriage to NEVER be recended once it was established. It WAS. For several reasons which we all know about concerning the pressures exerted upon the church by our Governement at that time.*

*The formation of the Corporation under Brigham Young was MAN'S way of attempting to foment the material Blessing of a Zionistic Society for which Brigham continued to persue once they became settled in the West.*

*None of this I believe was done to maliciuolsy defile the Lord's Church. It was done in this fashion because the Lord left us with no*

*other choice....The church was under His Condemnation and when the PROPHETS had their eyes shut, it effectively closed our OWN eyes as lay members who depend on THEIR Word for leading the BODY of God's People.*

*But the curse does NOT effect us as individuals...." I am displeased with the church COLLECTIVELY" for having FAILED at obeying the Lord's Offer to establish Zion. "And not INDIVIDUALLY", because there were some among them who WERE willing to do these things.*

*Over time and four generations, this has morphed into an all out Secret Worship of Satan, as having REPLACED Jesus Christ as Our Saviour. They refer to Him as Lucifer, the Light Bearer, and do not acknowledge the name of Satan as their God.*

*This seems to be an IMPOSSIBLE LEAP from the days of Brigham Young until now.....Except for the fact that Brigham Himself stated that his Greatest fear would be that this people would become rich and forget their God. And that the Leaders of this church would someday lead us to the VERY BRINK OF HELL.*

*That was meant as a WARNING and NOT as something Valliant Leaders would do to help us ESCAPE from going over the FALLS. This Secret Combination that has gotten "OVER" us in the form of LEADERSHIP being "Over" us, is DESIGNED to take us OVER those Falls of Spiritual Death and Destruction.*

*The NWO planners and operatives in the form of the 13 illuminati families and their various operative levels of political &*

corporate beurocarcies, are in the process of SETTING UP the Grand Master Mahem of Free Masonry, as the Anti Christ, to soon return and once AGAIN to proclaim HIMSELF as God, as he did at the Resurrection & Dedication of the Navoo Temple among the INITIATES of the Secret Combination who hold up Pres. Hinkley as being Jesus Christ.

He and they TRULY BELIEVE this, as THEY have been fooled and duped by Satan into believeing this.

They SHARE this information through emails using the very same Code Names that Jospheh and His Companions used in the beginning of the Restoration. The original men who used these code names filled certain positions within the Hirarchy of the Church. The same positions filled by leaders of today use the same code names as their predecessors.

This NEW CULT of membership are believers in the Doctrine of Reincarnation and believe they are these very same people of the Past who have come to FINISH what Joseph Smith Began, as referred to in the D&C.

They have TOTALLY TWISTED the Doctrines of Christ as was established through Joseph Smith and has incrementally been DISMANTLED like our Government has done to Our Constitution.

It ALL forms the SAME LIKE PATTERN. This is BECUASE it is ALL part of the SAME WORLD CONSPIRACY to DESTROY what God was attempting to establish in the Form of TRUE ZION and REPLACE

*it with a COUNTERFIT Zion...The Corporation of the the Church of Jesus Christ.*

*What once began as a man made effort to provide for the TEMPORAL needs of the Lord's people under Brigham Young trying to meet the needs of the Zion he CONTINUED to persue, has morphed into a Giant Satanic MONSTER, which now stands as the HEAD of the NWO SNAKE. We are being lead by Modern Day Pharasees.*

*This is why you find the "Snake" Symbol of Jesus upon the pole which Moses held to represent the HEALING Powers of Christ, has now been adopted by the World Medical Community to INCLUDE a Second Snake representing the FASLE Healer of mankind to OPPOESE Christ. The two are INTERTWINED to represent the ETERNAL & FALLEN state of man.*

*Those inverted Pentagram windows that surround the top of the Navoo Temple, which has drawn the amazed attention of more than one astonished member, and many outside of our church, is a VISABLE WARNING of WHO & WHAT is soon to ASCEND from the Grave to RECLAIM His Throne "Between the two Seas" of the Lord's Promised Land & proclaiming HIMSLEF to be God....The Spirit of Satan INCARNATING the Body of Pres, Hinkley presenting Himself to us in the near future as having once lived among us "As a thief in the Night", fulfilling the Prophecies that ONLY CHRIST can fulfill, such as what was SAID & DONE at the Dedication of the Navoo Temple, which sits BETWEEN the Two Seas. And UNKNOWN to the*

membership UNINITIATED into this Secret Cult. And will be WELCOMED as the Returned Saviour by those who ARE initiated into this "Mystery of Iniquity". And HEAVILY PERSECUTE those members who fail to recognize Him as Our Saviour.

John said he was STUNNED by what he saw when referring to this "Mystery of Iniquity". That was because it came from WITHIN the Lord's Own People. And was this NOT the same pattern to infect the people of the BOM as described in Alma ?

It was INTERNAL strife and machinations and secret assassinations that become the DOWN FALL of the Lord's People of the BOM days.

Certain latter day prophets have been suspected of being murdered. ( Pres. Harold B. Lee for having stated his desire & intentions of desolving the Corporation of the Church. And Wiflord Woodriff's sudden and unexpected death occuring days after a metting with the members of the Bohemian Grove and further placing us into financial bondage to worldly corporate interests outside of the church. And Howard W. Hunter for just being in the way of Gordon B. Hinkley assuming his rightful position as being the Leader of His Own Earthly Empire ).

And as the Zoromites of old.....also combined with the PRIDE of their accomplishments and riches they acquired and ARROGANTLY gave thanks to God for bestowing His Blessing upon them ABOVE that of their Brothers the Lamanites, ( Those Other gentiles ) and the

*Lowly Humble among the Covenant People. ( Those of us today who are PERPLEXED by what we see going on in the Lord's Church that does NOT conform to the Lord's Laws OR True Covenants).*

*They were the Proud and Powerful Zoromites for whom WE have BECOME. And Pres. Bensen tried to WARN us we were REPEATING that SAME PATTERN of decline and apostasy & was largely criticized for saying so and REMINDING us that the Church was STILL under Condemnation of the Lord & that curse what YET to be lifted.*

*Pres. Bensen was SURROUNDED by it among His Fellow Apostles who are the HEAD HONCHOS of the NWO and disguise it PERFECTLY, through an OUTWARD PIOUSNESS that put's the Old Pharasees to SHAME in their attempts to fool and decieve the Lord's people of His day.*

*These New Pharasees are FAR more dangerous, decietful & wicked and cleaver and powerful and outwardly pious, than the Amatures of the Past.*

*They have set the IMAGE of the Church up as being the Quintisential Example for the world to follow the pious outward nature of a group of people who have become Highly Esteemed in the eyes of a WICKED world.....Just the OPPOSITE of what we SHOULD be. And the main man to have placed the finishing touches on that "Pious Image", was Gordon B. Hinkley who made his LIVING as the church's PR Manager before coming to be the Profit, Smear, & Vegitator of the Lord's Church.*

*This Particular Course of Deciet & Delusion as Paul calls it, is PURELY SATANIC and conceals the WORST violations of God's people toward Our Saviour AND humanity, this world has ever known. Soon to be revealed as the Anti Christ and ALL that he has introduced among the Saints as a FALSE pretext to FINISHING Zion through an Earthly Corporate Structure from which the top leaders HEAVILY PROSPER from....Priest Craft at it's Finest levels of deciet being practiced right in front of our eyes....Just as is being done before the eyes of the American people by our Government leaders as most of them ignorantly move their way toward being slaughtered...So Goes Our People of the Lord's Church.*

*With Our Church, it will include SPIRITUAL SLAUGHTER being perpetrated by the most beloved Prophet next to Jospeh Smith, for which the ignorant masses have ignored His ( Joseph's ) Teachings & WARNINGS to us. He is referred to in Ezekiel as the "Idol Prophet" to which we need to BEWARE of.*

*The leadership has made EVERY EFFORT to disguise, distort or deminish the Warnings given to us by our Pioneer Fathers. Just look what has been done to change comments and cross referrencing in the D&C as it was originally established by Our early leaders. ESPECIALLY where it refers to Section 85 of the D&C and the Lord bringing forth His Mighty and Strong Angel to CONFRONT this evil and DISPOSE of the One who had been PREVIOUSLY called of God and CHOSE to "Steady the Ark of God" with His OWN AGENDA.*

*This Section of the D&C has been totally confused and marginalized by our current leaders.*

*The emails that can be found on the certain website of an excommunicated, and who I would consider a nice but deluded man himself, has placed these on his web site because these Modern Day Laneshiners & Pharasees have been trying to invite this man to RECONSIDER the things he has come to know as being Sickenly True, concerning Isaiah's remarks about our modern current leaders.....The Dead Sea Scrolls refers to these "Last Twelve" to have been far worse than any of the past.*

*This man who has posted these things claims himself to be the One Mighty and Strong and I suppose the Lord will confirm that one way or the other. But as far as the emails are concerned, I have reason to believe they are legitimate and reflect the Nature & SCOPE of this Secret Combination that seeks to overthrow the Lord's people and Every Nation.*

*This can ONLY happen through INTERNAL APOSTASY having formed among the Lord's People over the past 4-5 generations and is the REASON the Lord in D&C 112 says He must FIRST begin cleaning His OWN HOUSE before pronouncing Judgment upon the World.*

*I don't want you to become overpowered by this when it comes time for this Man of Sin to REVEAL himself to those in the Lord's Church and the entire World.*

*This is the "GREAT DELUISION & LIE" as described by Paul, that*

*the Lord PERMITTS His people to follow if they so CHOOSE. This is what brings ABOUT the Separation between the Righteous and the Wicked among the Lord's People, when they are offered TWO CHOICES.....Follow the FALSE Prophet who proclaims to be God, or follow the Lord's Mighty & Strong Angel & Servant sent to Prepare the WAY for the Lord's Retrun and OPPOSE & EXPOSE the Secret Combination that has existed among the Lord's people since Pres, Hinkley was made a general authority and claimed to have spoken to His "Father" in a private conversation. And was informed he was the Saviour of mankind sent to prepare His OWN way for His FOURTH coming to this earth.*

*All this supposedly occurred at secret meeting at Adam Ondi Ahman between Hinkley & whom he refers to as His "Father", and he has secretly passed this information among family and friends and has filtered down to the lowest levels of the church among members who ACCEPT him as having been the Christ who lived among us as a "Thief in the night", and fulfilling the Prophecies that ONLY CHRIST can fulfill.*

*All done RIGHT BEFORE OUR EYES. And many are EXPECTING His Retrun on a "CERTAIN DAY", according to the Lord's Mysterious Calendar revealed to Joseph Smith & Company as the original group known as Laneshine & passed down through the generations of prophets.*

*I know how Totally BIZZAR this sounds. But the scriptures*

*CONFIRM this senerio.*

*This has been the TOUGHEST thing I have had to absorb coming from a People & Church I have found My True Home in since the time the Lord revealed His Church to me.*

*I know it still remains His Church but like he says.....At Some Point in time, He must swepp it FREE of Iniquity before it can be made fit to become ZION.*

*By observing the Signs given to us to watch for these things, if our economy is droped sometime this year & we enter a state of civil unrest & chaos, do not be surprised to see Pres. Hinkley, AKA Satan, show up at Spring Conference on Resurrection Sunday, according to the Jewish Calendar for next April on the second day of Passover.*

*And telling a Very Concerned audience that "All is Well in Zion". "Do not fear things as they SEEM to be coming apart". "I am God and have RETURNED to see that My Saints are well cared for". Just "STAY THE COURSE" and all will be WELL".....TOTAL BS.*

*But the vast majority will BELIEVE this Lie as DESIGENED by God and disclosed in 2 Thessalonians, and THEY will be Cast Out into the Firey Judgments of God to begin on the "Lord's Day". The day we are attacked by Russia with a Frist Strike Nuclear Knock Out.*

*Tim, I know this is crazy weird for you to imagine, but please pray about this and heed the WARNINGS given by MANY Prophets concerning these things. They are at Our DOOR STEP.*

*You are a Good and Humble man of God. I know He will have a Great Place of Honor for you to serve in the Building of His Kingdom.*

*Just REMAIN a FREE THINKER and listening to GOD'S VOICE, as opposed to the clatter and inconsistencies of competing DECEPTIVE voices coming from the top ranks of the Lord's people and those Lower Initiates spread throughout the church, or soon to be initiates, who will side with the False Prophet Thomas Monson, who has ADOPTED Pres. Hinkley's motto of "STAY THE COURSE".....A DEADLY course to follow.*

*He, along with most of the Apostles and General Authorities, will SUPPORT & DEFEND Gordon B. Hinkley as GOD upon his Miraculous arrival as Satan incarnating the "IMAGE" of His Spirit....His BODY.*

*And be given "LIFE" to it by the False Prophet Thomas Monson who will conduct the Occult Incarnation Ritual that allows the Spirit of Satan to pierce the veil and take up temporary residence in the Body of a BELOVED & IDOLIZED Prophet we ALL know, love, & trust, as being THE Prophet who would NEVER Lead us astray.*

*I know this is probably WAY MORE than you are able to believe is true. I just ask you to store this away in your memory files and recall this when these things manifest themselves in time. It will help you to then better understand what has happened among the Lord's People, that gives rise to the reason the Lord says He must first bring judgment to His House before He brings judgment to the world. And those who CALL themselves Prophets and Apostles but are NOT....It*

*will be done to them as it was done to the Priests of Ezra's Day.*

*They will be FOUND OUT and EXPOSED for who they REALLY ARE....Sons of Perdition.*

*Hang in there Bro. The closer you come to the truth, the TOUGHER it is to REMAIN with the truth. The true opposition to Christ, HATES the truth. Just Do It & don't worry for the consequences of sticking with the Lord and HIS truth.*

*Sincerely,*  

*PS Pres. Hinkley was awarded the Presidential Freedom Award, handed to him by a distant cousin of his, George Bush Jr. Also distant cousins to the Queen of England.*

*The original illuminati blood infiltration of the church came through the Russel Family of the 13 members of the illuminati who joined the church as they saw the potential of a people destined to wealth & prosperity because of their trust worthy and industrial approach to getting ahead as a people working Together for a common cause which became more Material than remaining Spiritual.*

*The Salt Lake Temple also had a mortgage placed on it by a Rothchild who financed a portion of the church's debt. This was part of the reason for Wilford Woodruff's association with the Bohemian*

*Grove crowd of Money Makers.*

*Does winning a worldly prestigous Award from a CORRUPT Government polition who's Daddy coined the phrase "New World Order" at the onset of Desert Storm, SOUND like something a Prophet of God SHOULD be HONERED for ?*

*A true prophet among thieves should be calling them out and HEAVILY PERSECUTED for standing for Truth. So should the church as well. Yet this is NOT the case. WHY ?*

*Are these the "Dumb Watch Dogs that don't bark" at the approach of danger, as referred to by lasiah ? And if so....WHY are they DOING this ?*

*Again I apollogize for any spelling errors or messed up gramer. A long letter precludes me from wanting to go back and correct my mistakes. And I type much slower than the average kid with an I phone.*

*God Speed, Tim.*
